Campus should be posted in accordance with TCA §39-17-1309 and TCA §39-17-1359.

***The officer has the discretion to make an arrest consistent with their training and Standard Operating Procedures. If there is not campus law enforcement with police powers, the president or designee should determine whether to contact local law enforcement based on a totality of the circumstances, including whether a threat is posed by such violation, whether the violation was intentional or inadvertent, and any history of non-compliance with this policy.** If law enforcement action is taken with respect to an employee or student, the matter should also be reported to the appropriate campus office.

** Active-duty POST-certified law enforcement officers, on or off duty, may carry firearms at all times and places. Law enforcement officers include a sheriff who is POST-certified, a deputy sheriff who is employed by a county as a court officer or corrections officer, and others who qualify as law enforcement officers in accordance with TCA §39-17-1350.

***Campus law enforcement officers may use this as a guide but because it is only a summary, they should review and base their decisions on the Tennessee Code and Standard Operating Procedures.
